2441 REVIEW AND APPROVAL OF STANDING ORDERS

Cllr Williams had prepared a set of Standing Orders for Llanvaches Community Council, which had been previously distributed to Councillors for their consideration. These Standing Orders had been produced from a set of OVW Model Standing Orders but needed to be amended to reflect LCC standard practices. Cllr Williams highlighted a number of items that needed clarification and agreement by Councillors. Councillors worked through the document and agreed unanimously on those items to be amended. Cllr Williams would amend the current Standing Orders and produce a set of specific Standing Orders for Llanvaches Community Council.

Cllr Challenger asked for clarification on LCC's insurance cover relating to Officials Indemnity. The Clerk would check the Insurance Policy and confirm the amount of cover.

The review and amendments to the Standing Orders was proposed by Cllr Williams and seconded by Cllr Challenger and agreed unanimously.
